Team Captain Report on Umpires (for Division 1 Only)

In previous seasons a WSICL developed Adobe Form (PDF) was used to provide feedback on the performance of umpires standing in Division 1 games. This was time consuming in that the form had to be downloaded from the WSICL website page "Umpires Corner", completed either interactively or hardcopy and then emailed or posted back to the League Secretary or designated person to collate the results.

There have been issues with using the PDF form especially when using mobile devices (smartphones & tablets) and with the implementation of Reporting in Play-Cricket by the ECB and a trial at the start of the 2017 season by the WSICL it was decided to move to the Play-Cricket Team Captain Report on Umpires replacing the old PDF form which is no longer available on the WSICL website.

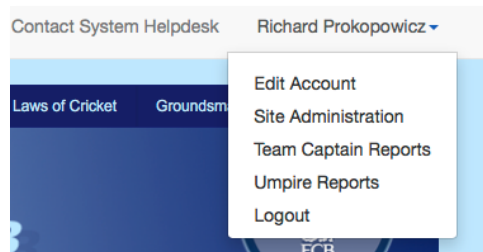

The **HOME** and **AWAY** team captains in Division 1 are required under Rule 9e to complete a report about the performance of both umpires whether the away umpire is an appointed panel umpire or not.

Where a team captain fails to submit a Team Captain Report detailing the umpires' performance the Exec will have the power to impose fines – both financial and deduction of League points in accordance with the following schedule.

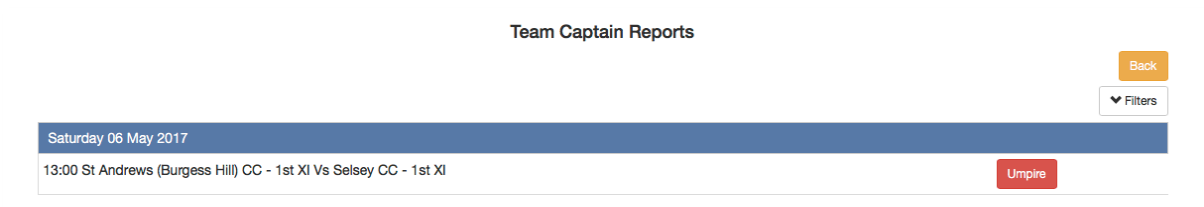

For the first breach – a fine of £20. For the second and subsequent breach – a fine of £20 and a deduction of two League points increasing by two additional points for each additional breach i.e. third breach 6pts, fourth breach 8pts – in no case shall penalty points be imposed so as to reduce to zero the total points gained by a side in a match.

The following instructions need to be followed to enter the Play-Cricket Team Captain Report on Umpires.

When you have logged in to your Club's Play-Cricket website click on your name and select "Team Captain Reports".

which should display the reports that still need to be completed.

Click on the red "Umpire" button against the report to be completed, which will open the report below.
